_ When it's mentioned that Imam ... tell in his book … about comapnion (Name) . It does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for every saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

The book’s translation

Beginning in name of Allah and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings and companions sayings about him . Then I started to collect his sayings in specific topics to be more easy to reach and read .

_ Imam Al-Bukhari tell in his book Al-Sahih (2235) about Anas Ibn-Malik that a jew tribe called Khaibar refused to obey to the previous terms , so prophet Mohammed fought them and killed their men and took their women .

Then they mentioned to him a women from them called Safeiia Bint Haiie and how she is very beautiful . Then he took her to himself and married her . Her husband was killed among other men who were killed and she was a new bride .

_ Imam Al-Baihaqi tell in his book Al-Sunan Al-Kubra (9 / 215) about Ali Ibn Abi-Talib that he will fight a tribe called Bani-Taghlub and kill their men and take their women & children , because prophet Mohammed ordered them not to teach christianity to their children , but they did not obey .

_ Imam Al-Hakim tell in his book Al-Mustadrak (3 / 32) about Aisha that that the jews did not accept the previous terms and went to a tribe called Quraish to ask them for help to get out of these terms .

Some of these jews were tribes called Bani Quraiza and Al-Nadir . So when they did that , prophet Mohammed fought them and killed all their men , then he took all their money & women & children as spoils & slaves for muslims . Then prophet Mohammed said that is the Islamic rule and Allah ordered him to do that .

_ Imam Muslim tell in his book Al-Sahih (1458) about Abu-Sa'id Al-Khdri that prhophet Mohammed army fought a tribe called Awtas and took their women as spoils and slaves .

But before having intercourse with these women , they asked prophet Mohammed because they already had husbands .

But prophet Mohammed said that they are considered as divorced and after one menstruation it's allowed to have intercourse with them . The one menstruation to make sure that they are not pregnant .

_ Imam Al-Baihaqi tell in his book Al-Sunan Al-Kubra (9 / 215) about Ali Ibn Abi-Talib that he will fight a tribe called Bani-Taghlub and kill their men and take their women & children , because prophet Mohammed ordered them not to teach christianity to their children , but they did not obey .

((Note : this book already translated to english . It's book number (2) of this english series))

__ List of terms that prophet Mohammed made upon christians and jews :

1_ If a muslim intentionally kill a peaceful non-muslim , the muslim must not be killed but pay some amount of money called (Deiiah) . (In Islam , if muslim intentionally kill another muslim , the killer must be killed)

2_ The non-muslim not inherit any thing from his muslim relatives .

3_ If muslim accidentally kill peaceful non-muslim , he must pay the half of Deiiah . (In Islam , if muslim acidentally kill other muslim , he must pay amount of money called Deiiah . But if the killed is non-muslim , he must pay only the half of the Deiiah)

4_ Christians and jews must pay amount of money calld Geziah to not be killed like polytheists and atheists . Also they must pay another amount of money called Kharag . The Kharag is like Zakah on muslim but is the amount is double . Also If one of the slaves owned by christians or jews becomes muslim , they must free him .

5_ Muslims must put the humiliation and debasement on non-muslims

6_ If a muslim get out of Islam and turn to christian or jew , he must be killed

7_ If any non-muslim say any thing bad about prophet Mohammed and his religion , he must be killed .

9_ All non-muslims must not live in Arabic Gazira (Saudi Arabia now) . And those who were already living there , they must get out of there .

10_ If non-muslim use the usury (money + benefits) , he must be fought .

11_ Non-muslims must not practice their religious rites in public . New churchs must not be built or renewd . They must not teach their children the christianity or Judaism .

They also must be ruled by Islamic rules . If they do not obey to that , prophet Mohammed said that he will kill their men and take their money & women & children as spoils .

12_ Prophet Mohammed said the prophet Eisa (Jesus) will be back in the end of time and he will force all christians to be muslims .

18_ Prophet Mohammed forced polytheists & atheists to be muslims . Polytheits & atheists who refused to get into Islam were killed . That is in the polytheits & atheists , but it affected the christians and jews because a lot of their relatives and business were with those polytheists and atheists .

(The Author collected prophet Mohammed sayings and actions of forcing polytheists and atheists on Islam in a separate book , which is previously translated before this book)

19_ Prophet Mohammed threatened those who do not obey to these terms that he will kill their men and take their women & money & children as spoils for muslims .

If they do not have hair in this area , they will be considered as children and will not be killed and will be slaves for muslims .

_ Then I collected in a separate book , prophet Mohammed sayings about this rule , to be easy to reach and read .

_ The book contains about (135) of prophet Mohammed sayings .

__ From companions and Imams sayings about this rule :

_ In Kuwaiti encyclopedia of Fiqh (12 / 48) (Freeing slaves are a good thing in islamic rules because it changes the slave from like inanimate object to free man . All Islamic Imams say that freeing slaves are not a must , but just a good thing for those who want to do it)

_ In Kuwaiti encyclopedia of Fiqh (29 / 266) (All Islamic Imams say that freeing slaves is not a must or obligation)

_ In Kuwaiti encyclopedia of Fiqh (24 / 154) (Allah allowed muslims in Quran to take women and children as spoils , then to divide them on muslim men . Prophet Mohammed also did that like what he did with a tribe called Hawazin and another tribe called Bani-Al-Mustaliq .

Also his companions did that after him , like what Abu-Bakr did with a tribe called Bani-Hanifa And what Ali-Ibn-Abi-Taleb did with a tribe called Bani-Nageiah)

_ Imam Ibn Abd Al-Barr tell in his book Al-Istizkar (7 / 439) (All companions and Imams agree that if a slaved woman gets pregnant from a man other than her owner , her child will be a slave for her master or owner)

_ Imam Ibn Hazm tell in his book Al-Muhalla (8 / 207) , as the previous one .

_ Imam Ibn Rushd tell in his book Bidaiat Al-Mugtahid (4 / 173) , as the previous one .

_ In Encyclopedia of Imams agreements by some doctors (3 / 907) , as the previous one .

_ In Kuwaiti encyclopedia of Fiqh (23 / 12) (The human is being a slave by one of three ways . The first way , if they are taken in a war on non-muslims . Their women are taken with the spoils then divided on muslim men . Also prophet Mohammed did that . one of the examples is when he took the women of Bani-Quraiza tribe as spoils .

The seconds way , if the slave woman gets pregnant from a man other than her owner , her child will be a slave for her muslim owner . The third way , if a muslim buy a slave from his owner)

_ In Kuwaiti encyclopedia of Fiqh (24 / 164) (Slaved women are considered as spoils . Then they are divided on muslim men . Then every muslim is allowed to have intercourse with his slaved women if she is not pregnant)

_ Imam Ibn Hazm tell in his book Maratib Al-Igma' (115) (All companions and Imams agree that there are terms that must be made on christians and jews . They must not renew their churchs and temples .

They must not prevent any muslim wants to live in the churchs for some time . They must not cheat muslims . They must not teach Quran to their children . They must not show or practice their religion in public .They must not invite anyone to get into christianity or jaudaism . They must respect muslims .

They must not prevent anyone want to leave their religion and get into Islam . They must leave their public places if a muslim want to set on them . They must be different than muslims in their clothes & shape & names .

They must not sell wine and liquor (alcohols) . They must wear a piece of cloth called (Zonnar) for every one to know that they are not muslims . They must not show the Cross (†) in public places or on their churchs .

They must not show the sound of bells on churchs . They must not show or celebrate their holidays in public . A lot of Imams said that if someone does not obey to one of these rules , he must be killed and his money is taken as spoils and his women & children are taken as slaves)

__ That what made some people say things about these terms , like :

__ Some said that any one must want for himself what he wish or like for others . So assume that some people or countries ruled that the killer must be killed as a punishment . Except if the killed one is a muslim , so the killer must not be killed .

Are muslims will say that is ok ? Are muslims will say we are satisfied with that ? They will never accept that and they will demand that the punishment be the same regardless religion of the killed . So , why they do not accept that rule if it's made upon them , but totally accept it if they are doing it .

__ Some said , assume that some countries ruled or legalized that the muslims must not inherit anything of their non-muslim relatives . Are muslims will be ok and satisfied with that ? Of course not . So Why they satisy with that if the non-muslims are prevented to inherit for their muslim relatives .

__ Some said assume that if a non-muslim accidentally kill another non-muslim , he must pay (1000) dollars for his family . But if the killed is muslim , he must pay only (500) dollars because the killed was muslim .

Are muslims will be satisfied with that ? Will they agree on that ? Or they will fight to be equal with non-muslims ? You know the answer . So, why when they apply that rule on non-muslims it's ok ?

__ Some said assume that some people or countries ruled or legalized that muslims must pay some amount of money to not be killed . Are muslims will be ok and satisfied with that ? Of course not . So why when they make non-muslim pay that money it's ok ?!

__ Some said assume that some countries ruled that muslims must pay triple the amount of money that non-muslim pay . Are muslims will be ok and satisfied with that ? Of course not and they will demand to pay the amount of amount that non-muslim pay . So why when muslims apply that rule on non-muslims , it's ok but not vice versa ?

__ Some said assume that some countries ruled that muslims must live in the humiliation and basement because they are muslims . And if they want to not be humiliated , they must quit Islam . Are muslims will be ok and satisfied with that ? Of course not . So why muslims are satisfied when they apply that on non-muslims .

__ Some said assume that some countries ruled or legalized that if non-muslim leaves his religion and get into Islam , he must be killed . Are muslims will be satisfied with that ? Of course not . So why it's ok and satisfied when they kill who get out of Islam and enter any other religion .

__ Some muslims said that getting out of Islam is like betrayal and the betrayer must be killed . But others said that this is very wrong because states have (secrets) and uncover these secrets will weaken the state .

But the right example is changing citizenship or having many citizenships . Like egyptian is also american , or american is also has the canadian citizenship . And this is very accepted and has no problem .

Also if they assume that getting out of Islam is like betrayal , so all other religions will say and act by the same . And any one get out of their religion and get into Islam , they will kill him because he is like betrayer . It's the same !

__ Some said assume that some countries legalized that any muslim invite people to get into Islam or say that Islam is better than all other religions , he must be killed . Are muslims will be satisfied and agreed with that ? Of

course not . So why muslims do not accept it if it's made upon them , but they very accept it if they apply it on other people ?

__ Some said assume that some countries ruled or legalized that some areas must be banned from muslims and muslims must not live in these areas or countries . Are muslims will be satisfied and ok with that ? Of course not . But when muslims ban non-muslims from some areas & countries it's ok !

__ Some said assume that some countries ruled that muslims are not allowed to build any mosque or renew the existing ones . Are muslims will be agreed and satisfied with that ? Of course not . But when muslims ban and prevent non-muslims to practice their religions it's ok !

__ Some said assume that some countries legalized that mulisms' testimonies are not accepted in any case , because they are muslims . Are muslims will be pleased and satisfied with that ? Of course not . So why muslims are satisfied and agreed when they not accept testimonies of non muslims .

__ Some said assume that some religions believe that another prophet will come and make muslims get out of Islam and get into his religion . Are muslims will be pleased and agreed with that ? Of course not .

But on the other hand , muslims believe that Jesus will be back again in the end of time and make all christians leave their religion and force them to believe in Islam .

__ Some said assume that you are still in the times of slavery and if you want to be free , you must get out of Islam . Are muslims will be satisfied and agreed with that ? Of course not . But on the other hand , if non-muslim slave wanted to have the ability of being free , he must get into Islam first !

__ Some said that some of these terms were present in some people or countries in some times . But others answered on that and said that there is a huge difference between people and God or religion .

When some people say or do something by themselves , you can not obey them and you can fight them . But on the other hand , when they tell you that some sayings and actions are ordered by God and if you not obey you will be in Hell forever , you must think thousands of times before you say no and it’s not easy to say no in this case .

__ Some said assume that some countries made these terms on muslims and ruled that any muslims not obey to these terms , their men will be killed and their money & women & children will be taken as spoils and slaves .

Are muslims will be satisfied and pleased with that ?! Of course not . But on the other hand , they are very agreed and pleased when they apply this on non-muslims .

__ Some said assume that in the wars , the difference between the adult and the child is the hair of pubic area . If child has some hair in this area , he will be considered as an adult even in killing him . And if he does not have hair in this area , he will still be considered as child .

If this rule is made upon muslims kids , are they will be agreed and pleased with this ? Of Course not . But on the other hand , they are very agreed and pleased to make this rule on non-muslims kids .

__ Finally , there might be more details or search in these situations . We must follow the peace find ways to bring peaceful relations between people because God is peace .
